IN NORTH HASTINGS.

The Liberals of North Hastings have in the field one of the strongest candidates that could be found in the entire riding—Mr. Byron O. Lott of Rawdon. He is an intelligent farmer, a man of fearless and able manner on the public platform, a plucky, fair fighter and one who, although a Liberal, has always been given a large majority for reeve in the Conservative township of Rawdon. Mr. Lott has the united and enthusiastic support of the Liberal party and a very large independent element of the north is emphatically with him.

Mr. Haggarty, the present member, may from present indications be second man in the fight. Although Liberals have no reason to support him, the support given him by Mr. Whitney indicates that he is, in reality, the choice of the Conservative leaders.

The nomination of Mr. W. J. Allen by the recent Conservative convention was a great surprise to all—a disappointing one to the Conservatives, as Mr. James English was looked upon by all as the only man who could command anything like a unanimous support from that party. For years—one might say generations—there has been feeling between the Allen and English families and, as the latter's connection is much larger and more influential than the former, the mistake made is one that Liberals are shuddering over. Mr. A. F. Wood, ex-M.P.P., was responsible for crowding in votes enough to squeeze Mr. Allen in, but the general feeling is that a more unpopular man personally and a poorer representative of the Conservatives could not have been chosen. Mr. English is a man of considerable influence and ability and his many friends naturally feel more inclined to stay at home or to support Mr. Lott than to either work or vote for the unpopular nominee of the Tory machine.

If the election in North Hastings were brought on to-morrow Byron Lott, reeve of Rawdon, would be the people's choice by a substantial majority, and every day he is becoming stronger by reason of the disintegration of the Conservative party. In less than a year from now he will write M.P.P. after his name.

Assessment Roll for the Municipality of

[illegible]

I, Jas. W. Heagle of the Township of Rawdon  
I, Thomas Montgomery of the Township of Rawdon  
make oath and say:—

1.—That I have set down in the above Assessment Roll all the real property liable to taxation, situate in the municipality of the Township of Rawdon and the true actual value thereof in each case, according to the best of my information and judgment.

2.—That the said assessment roll contains a true statement of the aggregate amount of the personal property, or of the taxable income of every party named on the said roll and that I have estimated and set down the same according to the best of my information and belief.

3.—That I have entered thereon the names of all the resident householders, tenants and freeholders, and of all other persons who have required their names to be entered thereon, with the true amount of property occupied or owned, or of income received by each, and that I have not entered the name of any person whom I do not truly believe to be a householder, tenant or freeholder, or the bona fide occupier or owner of the property, or in receipt of the income set down opposite his name, for his own use and benefit or otherwise to be entitled by law to be so entered.

4.—That according to the best of my knowledge and belief, I have entered thereon the name of every person entitled to be so entered either under this ACT or THE MANHOOD SUFFRAGE ACT, or any Act amending either of the said Acts, and that I have not intentionally omitted from said roll the name of any person whom I knew or had good reason to believe, was or is entitled to be entered thereon under any or either of the said Acts; and I further say that the date of delivery or transmitting the notice required by Section 47 of this Act is in every case truly and correctly stated in the said roll.

5.—I further say, that I have not entered the name of any person at too low a rate in order to deprive such person of a vote, or at too high a rate in order to give such person a vote; and that the amount for which each such person is assessed upon the said roll truly and correctly appears in the said notice delivered or transmitted to him as aforesaid.

6.—I further say that I have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any name, with intent to give to any person not entitled to vote, a right of voting; and that I have not intentionally omitted from the said roll the name of any person whom I believe entitled to be placed thereon, nor have I in order to deprive any person of a right of voting, omitted from column 4 opposite the name of such person, any letter or letters which I ought to have placed there.
